PLEASE TAKE CARE DRIVING AROUND THE SCHOOL. OUR CHILDREN ARE PRECIOUS!

SCHOOL COUNCIL
(on behalf of Renee Pont, School Council President)
School Council welcomes all new parents and families to Oatley West Public School. We hope that your child or children are settling in well and feel welcome to our great school.
The school encourages parents to bring concerns forward to Council, especially where the issue has an impact on the school community as a whole. Council’s aim is to work collaboratively with all members of the school community to achieve outcomes that support the educational benefit of all Oatley West students. In the coming weeks a brief profile of your council members will be included in the OWL newsletter.
School Council will resume tonight 18 February at 7.30pm. The agenda includes:

- 2013 site management issues including, car parking and traffic movement surrounding the school, ongoing tree maintenance, rubbish disposal and the proposal for additional covered walkways within the school.
- 2013 OWPS financial management as a result of the Local Schools, Local Decisions Policy.
- Finalisation and acceptance of the 2013 Homework policy.

To present a concern, issue or suggestion to School Council please:
1. Address a letter to School Council outlining the matter.
2. Have the letter signed by 3 other members of the school community.
3. Provide your contact details for a response.
4. Deposit the letter into the School Council Box (1) located at the front office in the school administration building.

BLUEKITE PROGRAM
I thoroughly enjoyed being part of the learning with Year 6 last Thursday. BlueKite is an organisation whose focus is to help establish and facilitate positive wellbeing projects by highlighting positive influences and fostering cultures of creativity. The program aims to inspire young people to empower them to make change in their own lives and the lives of those around them.
**Principles include:**

**EMPATHISING** - Recognising the need for positive wellbeing environments for our students, teachers and parents and to promote empathy between these parties

**ENGAGING** – Engaging students, teachers and parents in the heart of relevant projects

**EMPOWERING** – To equip the school with sustainable values and a culture of positive wellbeing.

Blue Kite supports our main Values Program with the following projects:

**JUST PLAY** – lunch time creative play activities.

**PLAYGROUND PATROL** – a lunch time playground support program with senior students as leaders, incorporating their training in empathy, emotional intelligence and social problem solving skills.

**WELLBEING** – Flexible delivery of short lessons relating to positive wellbeing, resilience and values.

I certainly look forward to the next instalment on Thursday.

**HEAD LICE** [repeat from last week]

I would like to recommend the website below as a source of the most effective treatments and dispelling of some myths.

There are many misconceptions around the issue of head lice. Treatment can be as simple as the use of hair conditioner and combing the hair with a fine-tooth nit comb. Continually combing and wiping the contents onto a tissue should remove nits from the hair follicles. This will need to be continued across a few days until there is no more evidence of nits in the hair.

I am told that nits cling to very clean hair and to dirty hair. It is a problem we all encounter from time to time and we should not be too critical of children and their parents should this occur.

**MANDARIN STARS**

Mandarin Language Club has commenced again this year. It would be great to see this program flourish at the school this year. 

**SAYING FOR THE WEEK**

I haven’t failed. I’ve just found 10 000 ways that don’t work.

Thomas Edison

THE FREAKY BALD EAGLES!
Some of the year 6 boys will be participating in this year’s world’s greatest shave, Liam Lewis, Ben Aden and Harry have been growing their locks in preparation for the big day. If you want to get behind the boys you can donate via the link

World’s Greatest Shave raises about half the money the Leukaemia Foundation needs to fund its important work – providing practical and emotional support to people with blood cancer, as well as investing millions in research.

In the last 14 years over a million people have shaved or coloured their hair, raising in more than $138 million.

The plan is for the boys to have their head shaved on a school day at the school (hopefully by their Dads) sometime around the weekend of the shave in March. They have set a modest target of $1300.00, but they would like to raise as much as they can

There is another team yet to confirm so watch out for them too, it doesn’t matter who you sponsor as all the donations go to a great cause.

Tickets on sale soon.

Art & Craft Meeting
Our next meeting is on this Thursday 21st February at 7.30pm in the multi-purpose room. Come along to hear what’s going on.

Some key roles are still vacant:
ROUSTABOUT / HANDYMAN – this role has been carried out by Garry Allen for many years but he is away for the Show weekend this year. The role is to be the general handyman during set-up & the weekend of the show. It means putting up brackets, running extension leads, putting up a spot light, any odd job. If you can use a drill and a screwdriver you are no doubt the person for this job. This can be done by one or more people.

FACILITIES HIRE – This role can be done by one person. It involves collecting the equipment hire requirements from the coordinators which does not vary greatly from year to year & sourcing it from existing suppliers such as Walker Party Hire.

VOLUNTEER ROSTERS – a role that is absolutely vital for the show. Janet Mitchell is doing the role this year but will be away for the weekend of the show. We just need someone to help out on the weekend of the show to direct volunteers to areas needed.

No experience is required and there are lots of people around to help.
Please consider taking on one of these roles and be part of the team.

Riddle Answer: Yes, the other half were also boys.

Hopscotch Cafe news

Contacts: Simone Gibson (Cafe Supervisor)
Email: simone@wildyam.com.au

Thank you OWPS Community!
The Hopscotch Cafe Committee would like to thank all of the new volunteers that have volunteered and all of the children and parents (and staff!) that have supported the Cafe in the opening weeks. Judging by the amount of food being ordered, the menu is clearly a success. Please, if you have any spare time through the week, we only ask that you come once per term, email us to volunteer and help out at the Cafe. A roster for the next month is attached at the end of this newsletter.

Please keep any feedback you have about the cafe coming to canteen.owps@gmail.com

This week we would like to specifically thank Margaret, Nina, Julianne, Christina, Anna, Mel C, Jacqui, Olga, Kym, and Bernadette.

Would you like to join the Cafe committee?
We are looking for new committee members. Do you want to be a part of all these exciting changes? We would love to welcome new members to the 2013 Cafe Committee. We are having our first meeting for the year on Wednesday 20th February in the Cafe at 2.00pm.
Spotlight on Slushies

Did you know that the slushies that the Canteen sells are 99% fruit with no added sugar and zero fat? The only sugar in the slushies is the same as that you would get from eating grapes, watermelon, etc. They are registered with the Healthy Kids Association, rated Amber.

Missing a Menu?

We have attached a menu at the back of this newsletter as some parents have not received it to date.

See you soon in The Hopscotch Café!

SCHOOL BANKING

CALLING FOR VOLUNTEERS!

The Commonwealth Bank School Banking program includes an exciting new Rewards Program designed to encourage children to get into the habit of making regular savings.

Every time students make a deposit at school they receive a Dollarmites token which can be redeemed for a range of exciting reward items in recognition of their regular savings.

We are seeking volunteer parents or grandparents to be the School Banking helpers. This only takes a small amount of your time one day a week (9.30 – 11.00 every Thurs). Your help with the program will greatly benefit students as they develop vital financial literacy skills and also help our school with fundraising.

Please indicate your interest in volunteering for this great program by filling in the tear off section below and returning it to the office, or send the information to Helen Kwong at ting_byt@yahoo.com.au

Yes, I would like to help with School Banking!

The Oatley West Public School Directory is a list of names, addresses and contact phone numbers of families in the school community. This Directory is an invaluable tool as it enables parents to easily contact their children's classmates and their parents for such things as - finding out when homework is due; if the next day is really multi day; and most importantly to arrange social engagements (for the children of course)!

Families who run their own businesses are welcome to advertise their business name & contact information alongside their family details in the directory. Many people in the school community prefer to use local businesses and benefit by having access to local tradespeople. But please note that the school directory should NOT be used as a marketing tool for soliciting business. Distribution of the directory is expected sometime in April. If you have any questions, contact:

**Fiona Duhne, Oatley West School Club**
mobile 0419 823 863 | fionaduhne@1232web.com.au

Due to Privacy Legislation, everyone MUST complete the form below and sign it as a way of authorising yours and your child's details to be printed in the directory and to be distributed to other families. There is NO automatic entry into the directory.

Please detach and return the completed form below with the exact fee of **$3.00** in a well sealed envelope or plastic zip lock bag and place it in the:

"School Directory" box at the school office BEFORE Monday 25th February 2013
