PRINCIPALS’ CONFERENCE 2013
It was well worth the investment of time and energy to attend the St George Principals’ Conference last week. The conference opened with an inspirational speaker discussing living well, being your best and for principals to look after their health, especially to guide their schools through a period of rapid change. The main work was done in Day 2 where the topic was Leading improvement, innovation and change vision for the school. Topics such as innovation and improvement, the change process, leaders as change agents, drivers of change and improvement and the implementation dip will help liberate what we are currently doing. The afternoon involved Strategic leadership and the implications for school leaders, effective school leadership teams and the art of distributed leadership. Fridays topics took us through the new upcoming administration package ‘Learning Management Business Reform’ (LMBR), Local Schools Local Decisions (LSLD) and the afternoon finished with workforce planning. A very informative conference.

SCHOOL SECURITY GATES
A reminder that all gates are closed by teachers as they head for class each morning. The only gate to enter or exit the school after 9.30 is at the Administration Office. This gate is closed but not locked. The cleaner opens the gates again at around 3.00 – 3.10pm in the afternoon and locks them at 4.00pm. For after-hours users of the school, all entry and exits then must be made through the front gate at the hall on the Short Street boundary. These security measures are to keep your children safe and secure during the day and to limit entry to outsiders of an afternoon; again for the safety of our children at OOSH and for band tutorials. Greek school and Chinese school are also on site during the afternoons. Please understand that when teachers are closing the gates they are on their way to class and cannot wait for you. If gates are closed you will need to use the Administration gate. We appreciate your understanding on this matter.

A new sign will be displayed this week to remind visitors to ensure the gate is closed behind them and I am installing a lock that will be more convenient for users during school time.

All classes participated last week towards the National Day of Action Against Bullying and Violence. We all need to take a stand together. Please take time to discuss the following with your children.

Stopping bullying starts with you!

**If someone tries to bully you**
- ignore them, turn and leave
- if you can, look them in the eye, tell them to ‘stop’ and then walk away
- pretend you don’t care
- go to places where you feel safe.

**If you have been bullied**
- talk to an adult (parent, teacher) you trust who can help stop the bullying
- seek support from your friends
- keep on asking for support until the bullying stops.

**If you have seen someone being bullied**
- if safe, do something to stop it
- report it to a teacher
- support the person being bullied.

**DON’T BE A BYSTANDER!**
In any bullying situation there is usually the person being bullied, the person bullying and 'bystanders' (other people who watch or are nearby at the time the bullying takes place).
You may have been a bystander if you have:
- cheered the person bullying
- stood and watched in silence
- laughed or walked away from the situation

- forwarded an offensive image, post or text message to someone.

If bystanders are confident to take safe and effective action there is a greater possibility that the bullying will stop. A supportive bystander will use words and/or actions that can help someone who is being bullied.

**Values**

**Excellence**
Excellence means to always try your best and never give up. Excellence is important to me because I always want to try my best and I will never give up. I’m going to show excellence this year by trying my best and never giving up.

**High School Forms**
The Expression of Interest for High School Forms are due this Friday. Even if you are not 100% sure on the school your child is attending or if they are going to a private or catholic school you still NEED to return the form by this Friday. I MUST have all of the forms before I can SEND them- so if you are late it affects the whole grade.

**Anti- Bullying**
Students from 6E presented an assembly last Friday as it was the National Day Against Bullying and Violence. In the students words this is what bullying is:

**What is bullying?**
Bullying is when you might have a fight or argument with someone. If it only happens once, that's not really bullying even though it can be upsetting. It's only called bullying if it's done repeatedly.

Bullying is when someone:
- keeps picking on you again and again and tries to make you feel bad
- says or does lots of mean things that upset you
- makes fun of you a lot
- tries to stop you from joining in or make others not like you
- keeps hurting you such as hitting or punching you.

Bullying can also happen through a mobile phone or on the internet. This is called cyber bullying. Sometimes you might have a fight or argument with someone. If it only happens once, that's not really bullying even though it can be upsetting.

Bullying is not fair. It feels awful. You should have a right to feel safe. If you don't feel safe, get help from your mum, dad, teacher, or an adult who will listen to you.

**Quality Work- Shave For A Cure**
I would like to congratulate the boys from Year 6 who took part in Shave for A Cure! I am extremely proud of their efforts and dedication to the cause. Through their actions they have educated the whole school on the importance of the Leukaemia Foundation and their research into finding a cure. The thousands of dollars raised by Ben, Tallis, Aden, Harry, Liam, Joshua and Lewis will help with the Foundations research. Great job boys! Well Done!

**Debating**
The two Stage 3 Debating Teams were chosen for this year. Congratulations to all of the students who tried out, everyone was fantastic and it was hard to choose only two teams. The Year 6 Team is Harrison, Tallis, Patricia, William, Imogen, Aden and Angelica. The Year 5 Team is Hugh, Gabrielle, Charlotte J., Lucy, Taylor and Joshua. They will be attending a Debating Training Day tomorrow at Bangor PS.

**The Australian Curriculum and the NSW Syllabuses**
The Australian Curriculum, Assessment and Reporting Authority (ACARA), in collaboration with states and territories, has developed an agreed Australian curriculum for English, Mathematics, Science and History. Each of these learning areas includes content statements that represent essential learning for all Australian students.

How is the Australian Curriculum being implemented in NSW? In NSW, the Board of Studies has worked closely with teachers and key education stakeholders to develop syllabuses that include the Australian curriculum content and further detail that clarifies learning. As a result of this work, Kindergarten to Year 10 syllabuses provide direction to ensure greater consistency between NSW schools.

Last Monday 11\textsuperscript{th} March, Mr Nash, Mrs Tall and I travelled to the DEC Arncliffe Office to attend the first of two professional development days titled, “Leading Change in English”. The day focused on the new NSW English syllabus and its mandatory implementation in all NSW schools in 2014.

Therefore 2013 will be a year of familiarisation and planning for the Oatley West teachers, centered around the new English syllabus. We will be part of the PEAKE Community of Schools, which comprises several schools in the area who will be working closely together to consolidate learning around the new English syllabus.

I will keep you updated throughout the year with news and information on the Australian Curriculum and the new NSW syllabuses. For further information, please go to the NSW Board of Studies website:

Harmony Day 2013

This year Oatley West Public School will take part in celebrating Harmony Day. Harmony Day takes place on Thursday 21st March. Harmony Day celebrates the diversity that we have here in Australia. It is a time to recognise the diversity and to show cultural respect to all who call Australia home. The theme of Harmony Day for this year is “Many Stories, One Australia.” It is important to look at the diversity of cultures here at OWPS and to share stories of our heritage.

On the 21st March we will have a whole school assembly to share some stories of what it means to live in harmony and respecting one another. During the next week the students at OWPS will be learning what diversity and harmony means. You may want to talk about this at home, where your family has come from, what is important culturally to you and what it means to live in Australia for your family.

Take some time to read the chorus of the Oatley West school song:

We are one, but we are many
And from all the lands on earth we come
We share a dream and sing with one voice:
I am, you are, we are Australian

On 16th March, Oatley West Public School versed Peakhurst West Public School in PSSA Softball. At the beginning of the game, Oatley West batted well. Josh managed to get home from a big hit from Angus off the tee. Hugh also hit a ball off the tee but unfortunately got out.

Oatley West then fielded. Peakhurst West hit a hard hit to Justin in right field, who threw to Angus on first base to get the runner out. Josh caught the ball on the full to get another batter out.
K-2 Fancy Hat Parade

Date: Thursday 28th March
Time: 9:45am – 10:45am
Venue: Lower playground (under the COLA)

Parents, grandparents, friends and relatives are most welcome to watch the parade. Please be aware though that there will be limited audience space, as all of the K-6 students will be seated under the COLA and a walking path for the K-2 children will be marked out.

Hot cross buns (adults and children) and tea/coffee (adults only) will be available to be purchased.

We would like the children to bring to school a basic hat that is already made and we will decorate the hat in class with their buddies/friends from Years 3-6. Please also send in some decorations for your child’s hat and special glue (if necessary). Some ideas for decorations are:

* pipe cleaners * glitter * cardboard bunny ears
* little eggs (not chocolate ones)
* little chicks (please also send in something to attach them to the hat)
* frills, lace, ribbons, feathers * craft diamantes * stickers, stars * straws
* paper flowers * little pom poms * streamers

We would like all hats and decorations to be sent to school no later than Wednesday 20th March. This will give us one week to decorate the hats and have them looking beautiful for the parade. Please place your child’s hat and decorations in a strong bag with their name and class on the outside.

If you have any questions, please do not hesitate to ask your child’s teacher.

We look forward to sharing a wonderful parade with you!

Kind regards,

K-2 Teachers
Ideas for making a fancy hat

1. Buy a party hat or bowler hat from a discount store or supermarket that the children can decorate. (Note that your child will need to bring in sticky tape to attach the decorations as some of these hats can have different textures which almost make it impossible to use glue).

2. Get a simple straw hat that your child could decorate. Please be mindful of what could be attached to this hat.

3. Make a cardboard headband. If you like, you could attach bunny ears or a bunny mask.

4. The First Palette website has lots of different templates and ideas for hats and masks:
