You're Invited to Kindergarten Orientation!
2011

Our Kindergarten Orientation is a transition program that allows children to become familiar with their school surroundings, meet teachers and discover the many types of activities the children will be participating in during 2012. When children attend this program, they develop a more positive and confident approach to starting primary school and hence settle into the Kindergarten routine during the first few weeks of school with greater ease.

We would like to invite you and your child to attend our Orientation sessions at Oatley West Public School. During the program you will have the opportunity to meet our Relieving Principal, Mrs Wendy Chalmers, our teachers and other members of our school community and ask any questions you may have about your child starting school.

We know that your child’s education and happiness are very important to you and we look forward to meeting you on these days.
